How to find exchange partners: Advance Search – search by ‘Faculties/Colleges’ for disciplines offered, single vs multi-faculty universities etc

Faculties / Colleges:
Exchanges can be uni-wide or some are college specific. So not all partners offer the courses / disciplines you require and exchange may not be offered at some schools. Please look at what is available, as well as any restrictions the partner has listed on their websites.

Multi faculty availability:
Options for student ie. not all partners can accommodate double-degree students or students wishing to take courses from several different faculties/colleges. For some universities, students can only select courses from ONE faculty (Single faculty only).

Double-degree students (or PPE), should **NOT** list any “single faculty only” partners as an option. The partner cannot offer exchange studies (time-tabling clashes, campuses at locations very far from each other). So please make sure only multi faculty universities are selected.

Single-degree students (or students only taking courses in one side of a double degree), can select either option if the partner offers courses in the discipline the student is after.

You searched for **Outgoing** programs within any term, having (**Faculties/Colleges** equal to 'Law' and having **Multi faculty availability** equal to 'Multi faculty'), that is in the region of **North America**, sorted by **Program Name** in **ascending** order.

Program Name	City	Country	Region	Save/Share
Exchange Program - University of Alberta, Canada (Exchange)	Edmonton	Canada	North America	
Exchange Program - University of Arizona, United States (Exchange)	Tucson	United States	North America	
Exchange Program - University of Oregon, United States (Exchange)	Eugene	United States	North America	
Exchange Program - University of Ottawa, Canada (Exchange)	Ottawa	Canada	North America	
Exchange Program - University of Rochester, United States (Exchange)	Rochester	United States	North America	
Exchange Program - University of Waterloo, Canada (Exchange)	Waterloo	Canada	North America	

Partner brochure program page: How to understand what the partner offers

Language: Most partners offer studies in English. Always check the partners' own website for what language their courses are taught in.

GPA requirement to apply for partner. The more popular partners have higher GPA requirements. All students still need to be ranked for the limited spots per partner.

Exchange year available to student ie. third year (96 units completed) and above. Most partners take students from 2nd year (48 units) onwards, with some stating later years.

Multi faculty available to student ie. not all partners can accommodate double-degree students, as students can only select courses from ONE faculty (Single faculty only)

Exchange Program - ETH Zürich, Switzerland

Faculties / Colleges: Exchanges can be uni-wide or some are college specific. So not all partners offer the courses / disciplines you require and exchange may not be offered at some schools. Please look at what is available, as well as any restrictions the partner has listed on their websites.

About ETH Zurich

Freedom and individual responsibility, entrepreneurial spirit and open-mindedness: ETH Zurich stands on a bedrock of true Swiss values. Our university for science and technology dates back to the year 1855, when the founders of modern-day Switzerland created it as a centre of innovation and knowledge. At ETH Zurich, students discover an ideal environment for independent thinking, researchers a climate which inspires top performance. Situated in the heart of Europe, yet forging connections all over the world, ETH Zurich is pioneering effective solutions to the global challenges of today and tomorrow.

Courses and areas of study

Please find the online course catalogue here.

Credit Equivalencies

ANU exchange students are recommended to take between 20 to 26 ECTS, which will be regarded as a full semester load equivalent to 24 ANU units. Students must discuss with their ANU academic colleges for approval of their exchange credit.

Standard for domestic ETH students is 30 ECTS for half a year of studies. ETH do not recommend exchange students taking more than 30 ECTS per semester.

Look at the partner's own course catalogue for what courses are offered. Make sure the partner offers courses that you can take.

Each partner has its **own credit equivalency** for what is a full semester load equivalent to ANU 24 units. So make sure you can find enough courses to take.
