

## Short Course College Approval Form

This form is for use by current ANU students seeking College approval to undertake an ANU Global Programs short course and receive credit towards their ANU studies. If you are in a Flexible Double Degree program, you only need to seek approval from the College where you will receive academic credits from your short course participation.

**Form Submission:** Once completed, this form should be submitted as part of your online application through the ANU Global Programs System.

*I acknowledge and understand that selection is a competitive process and I am not guaranteed a place by applying. I agree to ANU sharing my personal information with the partner institution I may be selected for and for the partner institution to share my results with ANU in order to allow me to receive credit towards my ANU degree. All institutions will treat this information confidentially, and not disclose it to a third party without consent. I acknowledge that it is my own responsibility to ensure I receive credit after I return from my overseas course.*
